

GPX ALL STAR CHEER

Make sure to follow us on Facebook to stay updated on our upcoming competitions and achievements this season! We are thrilled to inspire the youth of Campbell County, one cheerleader at a time, and we truly appreciate your support in pursuing our passion.

Who We Are

GPX All Star Cheer is the only cheerleading gym in Gillette that specializes in youth cheerleading. Our programs include competitive cheerleading, sideline cheerleading, tumbling, and toddler classes for athletes aged 3 to 18. After an exceptional season where we were grand champions in multiple competitions and competed in Orlando, we are taking cheerleading to new heights. Our mission is to nurture all individuals to reach their full potential, striving to develop not only outstanding cheerleaders but also exceptional individuals. In January 2023, we relocated to our dedicated facility, marking a new chapter in our journey. As we focus on coaching and training our athletes, we are seeking support from sponsors to continue uplifting our program.
